**N-Bar Prince — 1950 International Grand Champion Bull.  
Bred by Nixon-Mathieson**

**May 22, 1954  
Old Union Stockyards  
Spokane, Wash.**

**"Kindly bring this catalogue to the sale with you."**

## ANNOUNCEMENT

The dispersal of the herd of W. J. (Bill) Nixon and Johnny Mathieson made necessary to dissolve the business partnership of these men, presents the greatest buying opportunity of Shorthorn cattle of the year.

I am much pleased with the way these cattle are being presented for sale. They are in just proper breeding condition. No excessively conditioned females that spell trouble for the buyer. All females of breeding age either have calves at foot, or are in calf. The heifers have been vaccinated for Bangs disease.

The herd has never had a reactor for Bangs or Tuberculosis. A wonderful record. A clean herd.

The herd has made an enviable record in the West both at shows and sales. Better, one of their own breeding, a bull, N-Bar Prince, won the Grand Championship at the Pacific International Livestock Exposition, after which he was purchased by Bill Anderson of Iowa, and shown at the International Livestock Exposition, where he again went on to win the Grand Championship in 1950.

Elsewhere in this catalogue we print a copy of a letter received from Billy Anderson by Messrs. Nixon and Mathieson, a letter certainly a most modest one, when we consider that Billy had just sold five show heifers, while he was showing his herd at Houston, Texas, for \$16,500 to Mr. R. E. Smith, of Houston, Texas.

If you are interested in the blood of Champions—Champions that are producing Champions, you will do well to attend this dispersal of foundation calibre females.

This is a complete dispersal — nothing held back. They will sell to the highest bidder, without reserve.

Norm Warsinski, Auctioneer  
Billings, Montana.

Carl Greif, Sales Manager,  
Uniontown, Wash.

# **INFORMATION FOR THE BUYER**

Certificates of registry and transfer will be furnished buyer for each lot sold.

## **Terms:**

The terms of the sale are cash, unless arrangements are made with consignors prior to the sale.

## **Health:**

All animals have passed the tests for Bang's disease and for Tuberculosis, hence all cattle can be shipped immediately, and are guaranteed to comply with the health regulations of any state into which they may go.

## **Shipping Arrangements:**

Shipment will be made as soon as possible after close of sale, without trouble to the purchaser, but at his risk of loss or injury.

The consignor will see that all cattle are properly loaded on trucks or cars, as directed by purchasers for immediate shipment.

Be sure to leave definite instructions for shipments with the clerk of the sale.

## **Mail Bids:**

SHOULD YOU BE UNABLE TO ATTEND THE SALE, YOU MAY MAIL BIDS TO.

RALPH HEINEMAN, Western Fieldman for the Shorthorn Assn.

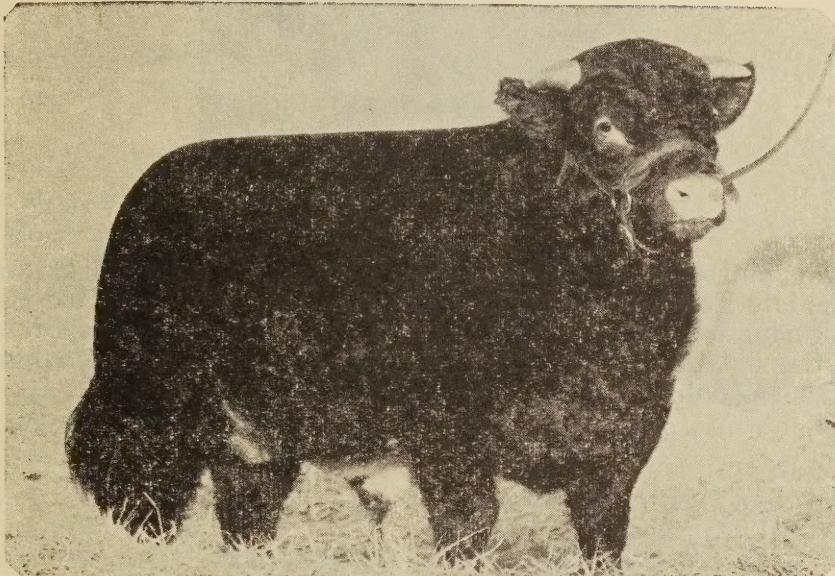

C. W. HICKMAN, University of Idaho, Moscow, Idaho.

M. E. EMSMINGER, W.S.C., Pullman, Wash.

CARL GREIF, Sales Manager, Desert Hotel, Spokane, Wash.

**Kindly bring this catalogue with you to the sale.**

## N-Bar Prince

**N-Bar Prince — 1950 International Grand Champion Bull.  
Bred by Nixon-Mathieson**

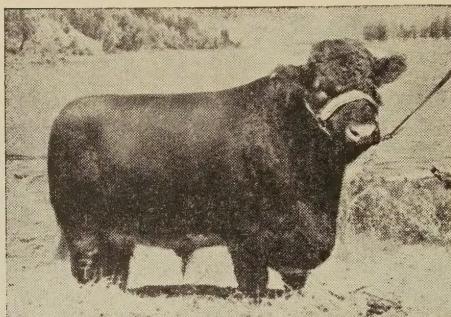

This most outstanding son of Lakeside Champion 4th won the Grand Championship at the Pacific International Livestock Show at Portland, Oregon in 1950. Purchased later by W. C. Anderson, West Liberty, Iowa, and shown by him, won the Grand Championship at the International Livestock Show at Chicago in December, 1950.

His get won the "Get of Sire" class at Denver, Fort Worth, Dallas, San Antonio, North Dakota, Montana, Illinois, Iowa State Fair, Eastern National and at the International at Chicago. This year, 1954, five of his heifers sold at Houston, Texas, for \$16,500 to Mr. R. E. Smith. A son sold for \$4,000 at the last International.

Lakeside Champion 4th, the sire of N-Bar Prince, is lot one in this catalogue. 37 females, besides his 1954 calves are included in this dispersal.

The third generation of the correct type.

## **Cluny Bank Standard**

This bull was imported from the Cluny Castle Herd in Scotland by the late Frank Harding, Chicago, Illinois. This bull sired Lakeside Champion 4th. "Cluny Bank," as we old timers called him, was the outstanding bull of the west, sired many prizewinning Shorthorns, and this blood line is still very popular.

A bull of great character and type.

## **N-Bar Gold Standard**

Another grandson of Lakeside Champion 4th. This grandson of Lot One in this catalogue was Senior and Grand Champion Bull at three big shows this 1954, at Fort Worth, Houston, and San Antonio, Texas. Another grandson, W L Bank Standard, was Junior and Reserve Grand Champion Bull at Houston, Texas.

The fourth generation of correct type.

(This is a copy of the letter received by the consignors from Billy Anderson, whose Shorthorn herd is headed by N-Bar Prince).

WEST LIBERTY, IOWA

Phone 19 on 52

April 5, 1954

Mr. W. J. Nixon  
Mr. John Mathieson  
Bonners Ferry, Idaho

Dear Bill & John:

It was quite a surprise to hear of your closing out sale to be held May 22. Not often does the public have the opportunity to select from a herd as great as yours.

I think that you are well aware of the importance of N-Bar Prince in our herd. Without him our show record for the past two years would read differently. His get of sire has been defeated but once the past year at the leading shows. Also one of his first sons was sold at the second top bull at this year's Congress sale going to Mr. Sims (Elcona Farms) of Elkhart, Ind. Our winning ten head at this year's National show was won on sons and daughters of his. Never since we have been in the cattle business have we had a sire that has consistently sired cattle of today's type. The fact that we have a very small herd of cows it has been necessary for us to fit and show his calves just about as they were dropped. A year ago with the exception of one calf of his first ten sired were shown as calves and won both the get of sire classes at Denver and Ft. Worth. His first calf bred by you N-Bar Gold Standard won his class at this year's National show and was Grand Champion bull at the following shows, Ft. Worth, Houston and San Antonio. He was a double bred Lakeside Champion 4th which proves all the more the importance of this breeding. Certainly breeders from far and wide will be represented at your sale.

Hope that you have a sale that you very well deserve and that soon you will both be in the cattle business again.

Sincerely yours,

Bill

W. N. Anderson

## *Announcement*

It is with deep regret that we Shorthorn breeders learn that the great herd of Registered Shorthorns of W. J. (Bill) Nixon and Johnny Mathieson is to be dispersed. Completely dispersing their herd of about 80 females, besides heifers calved since November 15, 1953.

Bill established his herd in 1939 and has bred Shorthorns continuously since that time, at his place in Bonners Ferry, Idaho.

Johnny grew up in the Shorthorn family; his father, John, now deceased, bred Shorthorns way back in the twenties. Johnny spent some time with the C. J. Broughton herd, then took over the herdsman-managership of the Lakeside herd for Harry Brown of the Brown Timber company at Sandpoint, Idaho, continuing in this capacity until the death of Harry and then carried on for the son, Lester, until the herd was dispersed.

It was not until Johnny formed a partnership with Bill Nixon that both hit their stride in the advancement of the Shorthorn breed. Naturally an outstanding breeding bull had to come into the picture to make this possible. This bull, as outstanding calf, a son of the great imported breeding bull, Cluny Bank Standard, was purchased from the Lakeside herd. The name of this bull that was to write Shorthorn history is Lakeside Champion 4th.

### LAKESIDE CHAMPION 4th SELLS IN THIS COMPLETE DISPERSAL.

From the beginning his calves were outstanding. The right type and conformation, great bone, with outstandingly good heads, and almost all solid red in color.

Possibly his greatest breeding son is N-Bar Prince, a bull that won the Grand Championship at the Pacific International at Portland, Ore., in 1950. Bill Anderson, West Liberty, Iowa, purchased the bull, carried him on and showed him to the Grand Championship at the great International Livestock Show in Chicago in 1950. But this was just the beginning of this great bull's fame. He has consistently sired outstanding, uniformly good calves for Billy Anderson, calves of both sexes.

One of his calves, W. L. Bank Standard, sold for \$4,000 at the 1953 International, after being first prize senior bull calf at Iowa State Fair, Reserve Champion at the American Royal and at the Illinois State Fair, Junior Champion at the National at San Francisco in 1952, and later Champion at Fort Worth and Montana State Fairs, reserve champion at the North Dakota State Fair, reserve senior champion at Iowa, and first in class at Denver.

At one of the more recent shows, another grandson of Lakeside Champion 4th, N-Bar Gold Standard was senior and Grand Champion at Fort Worth, Houston, and at San Antonio. Another grandson, W L Bank Standard 13th was junior and reserve grand champion bull at Houston, Texas. The dam of this bull sells in this sale.

It was while these cattle were at the Houston Show, that R. E. Smith of Houston, Texas, purchased five show heifers from Billy Anderson for \$16,500, all were granddaughters of Lakeside Champion 4th, daughters of N-Bar Prince.

#### LAKESIDE CHAMPION 4th SELLS IN THIS DISPERSAL SALE.

Ace Clark, Jr., Pullman, Washington, secured a very promising son of Lakeside Champion 4th last fall. This July, 1952 youngster, Lakeside Airdrie, in my opinion, is developing into a herd sire of note.

One of the notable N-Bar Prince heifers is W L Beauty 2nd, junior and grand champion female at the 1953 Illinois State Fair, and reserve junior and reserve grand champion at the 1953 International. She won both junior and grand championship at Fort Worth and at Houston this 1954.

As stated before this outstanding son of Lakeside Champion 4th breeds winners of both sexes. His get of sire winning first prize at Denver, Fort Worth, Dallas, North Dakota, Montana, Illinois, Iowa State Fair, Eastern National and at the International. At Fort Worth, Houston and San Antonio in 1954.

If you are interested in the blood of Champions that are producing champions, you will do well to attend this great dispersal of that kind of cattle.

Thirty-seven females, besides the 1954 heifers, sired by this great breeding bull, Lakeside Champion 4th, are included in this dispersal.

I have inspected these females and they are a great lot of cows and heifers, surely of foundation calibre.

Cruggleton Bombardier 2nd was another great Shorthorn sire that left his mark in this good herd. He was a solid red, sired by that massive, deep quartered, good boned bull that was imported from the world famous herd of the late A. J. Marshall of Scotland, whose cattle sold for extremely high prices last fall. Twenty-four cows sired by this outstanding bull will be offered. Another A. J. Marshall sire, Junior Willingdon, a famous bull, is the sire of two females offered.

In 1948 Johnny Mathieson and Bill Florence, cattle expert from the University of Idaho, attended the Claude Gallenger sale at Edmonton, Canada. They selected the top selling bull, \$6,000 Killearn Ian, for the Lakeside herd. Later Johnny purchased the six best heifers sired by this bull at the Lakeside dispersal, when he went to Bonners Ferry. These females are included in the dispersal.

There are 3 Cluny Bank Standard cows offered. "Cluny Bank" as we old timers knew him was the outstanding bull of the West, and was the sire of Lakeside Champion 4th.

Other notable sires whose get will sell are Roble Matchless, Marellbar Crown Command, and Royal Leader 7th.

Several bull calves, yearlings and under, are included and who knows but another N-Bar Prince may be among them.

I have recently inspected these cattle closely, and find them in good breeding condition, a uniform lot of good cattle, a group that is definitely of foundation calibre, and those of breeding age, either have calves at side or are in calf. The heifers are all vaccinated that carry age enough.

This herd is an established one, and from the show records they have earned, the conclusion is most evident, that this is a most rare opportunity to recure foundation kind of cattle at your own price, at a dispersal sale.

Another important factor: This herd has been tested regularly. They have never had a reactor, either for Bangs disease or for tuberculosis. They are clean.

The sale will be held in the Old Union Stockyards Sale Pavilion, Spokane, Washington, May 22, 1954, Saturday. Norm Warsinski, Auctioneer.
